PIC REGISTRATION (PNS-LEV-00)

RE: Your registration in the Participant Register of the EU Funding & Tenders Portal (PNS-LEV-00)

Dear Participant,

Thank you for registering your organisation [insert organisation name] in the EU Funding & Tenders Portal Participant Register.

Your organisation has been registered under the Participant Identification Code (PIC) [insert PIC].

Please use this code as reference in all future correspondence with EU services linked to the participation in EU funded programmes on the Funding & Tenders Portal.

You will find below a summary of the data you have entered for your organisation.

In case of incorrect data, please correct your registration by logging in to the Funding & Tenders Portal with your **EU Login** account: Participant Register > Actions > Modify organisation.

Your draft PIC will be activated and ready for use 10 minutes after receiving this mail. You can use it to submit applications through the Portal.

You do not need to take any further action for the time being. In case any of your applications is successful, you will be contacted later on for the validation of your organisation.

Kind regards,

Central Validation Service

LEV INVITATION (PNS-LEV-01)

RE: PIC No [insert PIC number] — PIC validation — Request for documents (PNS-LEV-01)

Dear Participant,

Following the registration of your organisation in the EU Funding & Tenders Portal Participant Register, we are contacting you to proceed with the validation of your organisation (participant identification code (PIC)).

This validation will be done in accordance with the Rules for legal entity validation, LEAR appointment and financial capacity assessment available in the Funding & Tenders Portal Reference Documents.

Please **complete** (directly online in the Participant Register) your participant data and **upload** the documents listed below in the Participant Register within **7 days** after receiving this message (using the following link):

1. Recent (not older than 1 year) value-added-tax (VAT) certificate legal data of your entity such as legal name, date and place of establishment and legal form.
2. Recent (not older than 1 year) registration extract, or in case of public body, copy of the act, law, decree or decision that established the entity as a public body.
3. [insert document name]

Note:

Keep in mind that the encoded **participant data** must correspond to the supporting documents.

The **VAT registration** document must have been issued by the tax authority of your country within the last year AND must indicate your VAT number**.**

The **extract of the registration** of your organisation in official/national register (e.g. Company Register, Commercial/Business Register, etc.) should be issued by the registering authority must clearly indicate the name of your organisation, the legal form, the date and the number of registration and the address of the head office.

Public entities must provide a copy of the resolution, law, decree, decision (or other official document) which establishes them as a 'public body'.

Non-profit entities must provide a copy of the statutes, resolution, law, decree, decision (or other official document) which establishes them as 'non-profit organisation'.

Important:

- The originals (of scanned documents) must be kept on file and be available for controls (which may take place at any moment and independently of any ongoing funding/contracts).
- You must provide official documents; self-declarations or sworn/solemn statements are not accepted**.**
- You can provide documents in any official EU language (if possible with a free translation in English, in order to facilitate the validation process). Documents in other languages are accepted only if accompanied by a free translation in English. In case of doubt, the Central Validation Service has the right to request a certified/legal English translation.

If you have technical difficulties uploading the documents, please check the relevant sections of the IT How To on Documents upload.

If the problem persists, please contact the IT Helpdesk (via the Helpdesk contact form).

⚠ Please note that PIC validation is a mandatory requirement for EU funding/tenders on Funding & Tenders Portal.

Kind regards,

Central Validation Service

LEAR INVITATION (PNS-LEV-02)

RE: PIC No [insert PIC number] — LEAR appointment — Request for documents (PNS-LEV-02)

Dear Participant,

Following the registration of your organisation in the EU Funding & Tenders Portal Participant Register, we are contacting you to proceed with the appointment of your Legal Entity Appointed Representative (LEAR).

The LEAR is the person who is officially appointed and authorised by you to formally represent and manage your organisation in the EU Funding & Tenders Portal.Further information about the LEAR's rights and responsibilities is available here.

The appointment will be done in accordance with the Rules for legal entity validation, LEAR appointment and financial capacity assessment available in the Funding & Tenders Portal Reference Documents.

To appoint your LEAR, please follow the instructions available in the Online Manual and use the forms generated in the Participant Register.

Please **upload** the following documents in the Participant Register within **7 days** after receiving this message (using the following link):

1. LEAR appointment letter (including the declaration of consent to the EU Funding & Tenders Portal Terms and Conditions), duly completed, dated and signed by your legal representative and the LEAR. All pages of the documents must be uploaded in the Participant Register.

2. Integral/recto-verso copy of the official, valid proof of identity for the legal representative (identity document issued by the national authority, i.e. ID card, passport, etc).

3. Integral/recto-verso copy of the official, valid proof of identity for the LEAR (identity document issued by the national authority, i.e. ID card, passport, etc).

4. Valid official document to demonstrate that the legal representative has the authority to engage the organisation in its entirety.

   The following conditions must be met:

   - the document must clearly indicate the role/function as legal representative (for example, director; mention as legal representative in the statutes) and

   - the document must clearly identify that person (name and personal data) as the person with that role/function (for example, act of appointment as director).

Important:

- The originals (of scanned documents) must be kept on file and be available for controls (which may take place at any moment and independently of any ongoing funding/contracts).
- You must provide official documents; self-declarations or solemn/sworn statements are not accepted.
- When uploading ID documents, please use the document type 'ID documents', since this will allow us to ensure compliance with confidentiality and privacy rules.
- You can provide documents in any official EU language (if possible with a free translation in English, in order to facilitate the validation process). Documents in other languages are accepted only if accompanied by a free translation in English. In case of doubt, the Central Validation Service has the right to request a certified/legal English translation.
- The email address of the LEAR must correspond to the email address associated with the EU Login account for this user.

If you have technical difficulties uploading the documents, please check the relevant sections of the IT How To on LEAR data and Documents upload.

If the problem persists, please contact the IT Helpdesk (via the Helpdesk contact form).

⚠ Please note that LEAR appointment is a mandatory requirement for EU funding/tenders on the Funding & Tenders Portal.

VALIDATION COMPLETED (PNS-LEV-07)

RE: PIC No [insert PIC number] — PIC validation — Completed (PNS-LEV-07)

Dear Participant,

Your organisation has been validated with the above-mentioned PIC and the following main status(es):

– [*[*PUBLIC*]**[*PRIVATE*]*, *[*non-profit*]**[*for-profit*]*].

The complete overview of all statuses validated for your organisation is available in the Participant Register.

The data and information has been encoded on the basis of the documents you provided and other relevant information.

For more information on the validation, please see Rules for legal entity validation, LEAR appointment and financial capacity assessment.

Any future requests for changing your legal data or statuses must be accompanied by supporting documents to justify the change.

⚠ Please note that the data entry must respect certain system requirements (e.g. use of capital letters and Latin characters; registration authority as the city in which the organisation is registered, etc). Please refrain from requesting corrections on such matters.

VALIDATION REFUSED (PNS-LEV-09) (NOT AUTOMATED BY PDM)

RE: PIC No [insert PIC number] — PIC validation — Refused (PNS-LEV-09)

Dear Participant,

Based on the supporting documents you submitted, it was not possible to validate your organisation (PIC No [indication of the PIC number]).

The documents you provided were not sufficient to recognise the necessary status for validation.

For more information on the validation, please see Rules for legal entity validation, LEAR appointment and financial capacity assessment.

We remain available to reconsider our assessment, if you can provide the necessary documents to show that you fulfil the conditions.

Until then, your organisation will be considered as not validated in the Participant Register.

If you disagree with our assessment, you may request a validation review procedure — within **30 days** after receiving this message (via the following link: REA-VALIDATION-REVIEW@ec.europa.eu).

LEAR ENCODED (PNS-LEV-10)

RE: PIC No [insert PIC number] — LEAR appointment — Completed (PNS-LEV-10)

Dear Participant,

You have been appointed as LEAR in the Funding & Tenders Portal Participant Register.

If you have indicated a mobile phone number in the LEAR appointment letter, you will receive the PIN code to activate your account by SMS.

If you have not received the PIN code or if you need it more urgently, please contact the IT Helpdesk (via the Helpdesk contact form) at +**32 (0)2 299 2222 (**Monday to Friday from 8am to 8pm Central European Time). Please call in person, using the phone number indicated in your LEAR appointment letter, and have your organisation's PIC code at hand.

Afterwards, you can activate your account as follows:

- log in to the EU Funding & Tenders Portal with your **EU Login** and go to 'Request a new password'
- enter the PIN code and change your password.

You will find useful information on how to manage roles for your organisation in the relevant sections of the Online Manual.

Be aware that:

- as LEAR you have the obligation to provide up-to-date legal and other data (including — on request — supporting documents) on your organisation and to maintain and update this data at all times. This means that you must regularly check that the data is correct and, if needed, immediately request changes via the Participant Register
- all actors in your organisation should be aware of the EU Funding & Tenders Portal Terms and Conditions, please inform them.

CHANGE OF LEGAL DATA (REQUEST FOR DOCUMENTS) (PNS-LEV-11)

RE: PIC No [insert PIC number] — Change of legal data — Request for documents (PNS-LEV-11)

Dear Participant,

We have received your request to change certain legal data related to your organisation in the EU Funding & Tenders Portal Participant Register.

In order to assess it, please **complete** (directly online in the Participant Register) your participant data and **upload** the following documents in the Participant Register within **7 days** after receiving this message (using the following link):

1. Recent (not older than 1 year) official document (e.g. VAT extract, revised Statute, etc), indicating the change as well as the effective date of this change

You will then receive confirmation, once validation is completed.

Important:

- You can provide documents in any official EU language (if possible with a free translation in English, in order to facilitate the validation process). Documents in other languages are accepted only if accompanied by a free translation in English. In case of doubt, the Central Validation Service has the right to request a certified/legal English translation.

If you have difficulties uploading the documents in the Participant Register, please check the IT How To.
